

Journal

**AMERICAN
WATER WORKS
ASSOCIATION**

VOLUME 47 • 1955

AMERICAN WATER WORKS ASSOCIATION

Incorporated

521 Fifth Ave., New York 17, N.Y.

Table of Contents

January

Providing Reasonable Water Service.....	ABEL WOLMAN	1
Importance of Mutual Confidence Among Public Officials.....	EDWARD C. HARDING	9
Addenda to Lime Specifications.....	AWWA B202	14
Organization and Operation of the Greater Winnipeg Water District.....	HAROLD SHAND	15
Special Water Districts in the Austin Metropolitan Area.....	JOHN GILLESPIE	21
Formation of Southeastern Oakland County Water Authority.....	GEORGE G. SCHMID	24
Fluoridation Endorsed in Canada.....		28
Industrial Use of Reclaimed Sewage Water at Amarillo.....	MARVIN C. NICHOLS	29
Michigan Water Works Operating Data for 1953.....	CLAUD R. ERICKSON	34
Selection of High-Lift Pump Motors and Controls	A. C. MICHAEL & G. I. STORMONT	39
History of Steam-operated Pumps at Philadelphia.....	GERALD E. ARNOLD	49
Reprints Available.....		59
Meeting Peak Demands at Milwaukee.....	EDWARD F. TANGHE	60
Problems of Rapid Population Growth in Florida.....	CHARLES E. RICHHIMER	63
Quality of Arizona Municipal Supplies.....	GEORGE W. MARX	65
Addendum to Cast-Iron Main Installation Standards.....	AWWA C600	71

February

Policies on Fringe Area Service in Ohio	GEORGE J. VAN DORP, PIERCE BAILEY & A. V. AGNEW	73
Methods of Lime Softening Sludge Disposal.....	F. H. WARING	82
Problems of New Water Utilities		
Northwest Utilities Company.....	S. J. JOSEPH	85
South Adams County District.....	JACK H. MAGUIRE	88
Engineering Assistance Available to Utility Management.....	JOHN C. LUTHIN	91
The Consulting Engineer's Contribution to Water Works Design and Evaluation	JOHN A. CAROLLO	99
Feasibility of Biological Warfare Against Public Water Supplies	BERNARD B. BERGER & ALBERT H. STEVENSON	101
Long Beach Meter Repair Shop and Testing Facilities.....	FRED S. PORTER	111
Economics of Meter Repair Program at Tuscaloosa.....	E. E. LOVE	121
Water Conservation Through Metering.....	GEORGE A. GANGER	122
Vacuum Degasification of Water for Taste and Odor Control.....	BERNARD SCHILLER	124
Revision of Steel Pipe Flange Specifications.....	AWWA C207	128
Study of High-Rate Filtration at the Dalecarlia Plant, Washington	NORMAN E. JACKSON	129
Increasing Filter Capacity by Aeration.....	PIETER C. LINDENBERGH	142
Reprints Available.....		144
Alabama Short-School Program.....	ARTHUR N. BECK	145
New Edition of Cast-Iron Fitting Standards.....	AWWA C100	147
Water Works Radio in Suburban Philadelphia.....	GEORGE H. DANN	148
Chloride Contamination of Ground Water in Ohio.....	A. A. ULRICH	151
Discussion.....	ART ROBINSON	153
Distribution System Pressure Problems		
Value of Hydrant Flow Tests.....	R. C. LOUGHEAD	155
Pressure Records.....	ALFRED E. HANSEN	159
Booster Stations.....	A. T. KUNZE	162

Preview of the Tenth Edition of <i>Standard Methods</i>	LOUISE C. CARTY	170
Experience With Activated-Silica Treatment.....	L. L. KLINGER	175
Prestressed Concrete Tanks at East Bay.....	J. W. TRAHERN	186

March

Variations in Construction Costs.....	THOMAS M. NILES	195
Eastern Water Shortage and Drought Problems		
Conditions in Ohio..L. G. WILLIAMS, HOMER KNOX, PAUL KASER & J. R. PATTERSON		203
Conditions in West Virginia		
JOHN B. DOUGLASS, HENRY R. GAY, A. R. TODD & BERN WRIGHT		213
1954 Drought in Virginia.....	DONALD S. WALLACE	222
Growth of Eastern Irrigation Demands.....	BEVERLY C. SNOW	226
Artificial Recharge of Ground Water Reservoirs.....	RALPH A. SCALAPINO	230
Bacteriological Study of Drinking Fountains..W. L. MALLMANN & ANTONE K. FONTES		235
High-Rate Filtration Experience at Durham.....	WADE G. BROWN	243
Effect of Downstream Throttling on Venturi Tube Discharge....	ANDRE L. JORISSEN	248
Flame Spectrophotometric Determination of Calcium in Potable Water Supplies		
E. G. WILL & BLANCHE SCHWARZKOPF		253
West Virginia Fluoridation Control Tests.....	H. K. GIDLEY & JOHN H. MILLAR	257
Commercial Records for Small Water Systems.....	W. FRANCIS GORDON	259
Reprints Available.....		267
Report of the Committee on Water Works Administration.....		268
Report of the Committee on Water Works Practice.....		275
Report on Publications.....		287
Report of the Audit of Association Funds.....		295
Section Membership Awards and Statistics.....		301

April

Increasing the Capacity of Existing Treatment Plant Facilities.....	R. S. RANKIN	303
Development of Adequate Water Rate Structures in North Carolina..	RICHARD HAZEN	310
City Planning and Water Works.....	GEORGE C. AHRENS	319
Management Attitude Toward Safety Engineering.....	KENNETH N. BEADLE	323
Considerations in Water Works Safety.....	WENDELL R. LADUE	325
Infestation of the Norwich, England, Water System.....	S. N. KELLY	330
Determination of Radioactive Strontium and Barium in Water		
RICHARD B. HAHN & CONRAD P. STRAUB		335
Ground Water Sources on Long Island.....	JOSEPH E. UPSON	341
Conservation of Ground Water on Long Island.....	ARTHUR H. JOHNSON	348
Elements of Corrosion Control.....	C. L. CROCKETT	355
Sheboygan, Wis., Dental Survey Results.....		358
Chemical and Physical Reactions in Water Heaters.....	J. ROBERT POPALISKY	359
New Jersey Licensing and Tenure Laws..KENNETH J. CARHART & ROBERT S. SHAW		364
Development of the California Water Plan.....	C. A. GRIFFITH	367
Some Legal Aspects of Ground Water and the California Water Plan		
HENRY HOLSINGER		374
California Ground Water Replenishment Bill.....	R. W. CHASE	383
Legal Liability of Municipalities and Officials.....	H. WINSTON HATHAWAY	389
Split-Treatment Method of Water Softening.....	ARNOLD K. CHERRY	393
Consumer Service Requirements.....	EMIL S. MAMBELLI	398
Consumer Complaints in the Southeast		
JOHN R. BETTIS, THOMAS KING, O. M. FULLER & L. E. WALLIS		405
Handling Consumer Complaints.....	LAWRENCE E. MARTIN	407
Reprints Available.....		408
FCDA Engineering Contributions Program.....	ARNOLD NESHELM	409
Problems of Ground Subsidence.....	R. R. SHOEMAKER & T. J. THORLEY	412

May

Missouri River Basin Development.....	DALE L. MAFFITT	419
Central Dispatching for Distribution Systems.....	R. M. COLLIE	426
Remote Control in Water Systems.....	E. WYLIE HEAD	433
Laws of Florida Governing Water Use.....	FRANK E. MALONEY	440
Hydrologic Aspects of Ground Water Law.....	THAD G. McLAUGHLIN	447
Reprints Available.....		452
Detroit Experience With Sulfur Compound Jointing Material.....	LEO V. GARRITY	453
Discussion.....	H. W. NIEMEYER	459
Factors Causing Main Failures.....	FRANK E. DOLSON	465
Problems of Small Water Systems in Maryland.....	HOLMES ORGAIN	470
Financing New Water Main Extensions in California.....	PHILIP F. WALSH	475
Accelerating Calcium Carbonate Precipitation in Softening Plants		
	ROBERT F. McCAULEY & ROLF ELIASSEN	487
Radioactive Strontium Removal by Lime-Soda Softening		
	ROBERT F. McCAULEY & ROLF ELIASSEN	494
Beaver Activity and Water Quality.....	GEORGE MALBEN & H. B. FOOTE	503
Survey of Water Utility Employment Conditions, 1954.....	AWWA STAFF REPORT	508

June

Municipal Management of Water Works in West Virginia.....	H. K. GIDLEY	519
Financing Extension in Maryland and Delaware		
	CHARLES B. WHEELER, ALFRED MACHIS & W. COMPTON WILLS	523
Coping With Summer Distribution Problems in Dallas.....	J. D. HENRY	533
Measuring Yield of Drilled Wells Without Pumping.....	ABRAHAM KATZ	537
Design and Construction of Peters Dam, Marin County, California..	WILLIAM R. SEEGER	549
Use of Permanent Standards in Fluoride Analysis.....	R. E. FRAZIER	560
Discussion.....	HARRY P. KRAMER	562
Factors Affecting the Determination of Fluoride in Water With Zirconium-Alizarin		
	WILLIAM L. LAMAR & PAUL G. DRAKE	563
Benefits of Steel Construction in Distribution System Storage.....	E. H. ALDRICH	573
Discussion.....	GEORGE E. BORST	579
Discussion.....	GEORGE M. HASKEW	580
Design of Wye Branches for Steel Pipe.....	H. S. SWANSON, H. J. CHAPTON, W. J. WILKINSON, C. L. KING & E. D. NELSON	581
Correction—Lime Specifications (AWWA B202).....		630
New Methods for Detection of Coliform Organisms.....	A. A. HAJNA & S. R. DAMON	631
Reprints Available.....		636

July

Safety Practice for Water Utilities—Parts 1 and 2.....	AWWA MANUAL	637
Effect of Inflation on Water Rates.....	C. C. MACDONALD	657
Elements in Sizing Water Mains.....	A. T. LUCE	660
Chemical Reactions in Hot and Cold Treatment Units		
	V. J. CALISE, J. DUFF & R. DVORIN	665
Taste and Odor Control in Indiana.....	J. G. FILICKY	675
Discussion.....	A. E. GRIFFIN	679
Relation of Coliform-Organism Test to Enteric-Virus Pollution		
	F. WELLINGTON GILCREAS & SALLY M. KELLY	683
Ground Water Resources in Texas.....	R. W. SUNDBSTROM	695
American Standard Specifications for Deep Well Vertical Turbine Pumps		
	ASA B58.1-1955 (AWWA A101-55)	703
Reprints Available.....		730

August

Current Trends in Treatment Plant Design	
Discussion.....	LOUIS R. HOWSON & WILLIAM W. AULTMAN 731
Use of Chlorine Dioxide for Algae Control at Philadelphia	W. U. GALLAGHER 738
WALTER C. RINGER & SYLVESTER J. CAMPBELL	740
Waterborne Disease Outbreaks in 1954.....	746
Short-School Program in Oregon.....	FRED J. BURGESS 747
Short History of Filter Construction and Operation.....	G. R. SCOTT 749
Effect of Disinfection Dosages of Chlorine on New Mains.....	WILLIAM YEGEN 753
Reprints Available.....	756
Utilization of Waste Pickling Acid in Potable Water Treatment.....	J. S. GETTRUST 757
1954 Utility Safety Record.....	762
Low-Temperature Problems in Alaska.....	AMOS J. ALTER 763
Mixing and Sedimentation Basins—Revision of <i>Water Quality and Treatment</i> , Chapter 8	768
Safety Practice for Water Utilities—Part 3, Sec. 1-10.....	AWWA MANUAL 791

September

Our National Water Resources Policy.....	CLARENCE A. DAVIS 827
Regional Water Supply Planning for Northern Ohio.....	PAUL BELCHER 833
Discussion.....	WENDELL R. LADUE 836
Correction—Fluoride Analysis (W. L. LAMAR & P. G. DRAKE).....	839
Water Rights Policies in the Southeast.....	CLAIR P. GUESS JR. 840
State Water Resources Legislation in 1955	
Introduction.....	STEPHEN W. BERGEN 845
North Atlantic States.....	CHARLES H. CAPEN 846
Southeastern States.....	G. S. RAWLINE 848
Ohio Valley States.....	C. H. BECHERT 850
Missouri Valley States.....	T. W. THORPE 852
Southwest States.....	M. B. CUNNINGHAM 854
Pacific Coast States.....	L. J. ALEXANDER 856
Use and Conservation of Water Resources in Eastern States.....	RICHARD D. HOAK 858
Correction—1954 Utility Safety Record.....	864
A Combination of Ground and Surface Water for Industrial Supply.....	R. D. WILSON 865
Discussion.....	CLIFFORD H. FORE 871
Reprints Available.....	872
Aeration of Water—Revision of <i>Water Quality and Treatment</i> , Chapter 6.....	873
Development of a Fresh-Water Barrier in Southern California for the Prevention of	
Sea Water Intrusion.....	FINLEY B. LAVERTY & HERBERT A. VAN DER GOOT 886
Progress in Ground Water Replenishment in Southern California.....	JAMES H. KRIEGER 909
Recharge Operations at Kalamazoo.....	W. H. SISSON 914
Safety Practice for Water Utilities—Part 3, Sec. 11-20.....	AWWA MANUAL 923

October

Extension of Public Service to Suburban Areas	
Introduction.....	ABEL WOLMAN 945
Federal Aid.....	JOHN C. HAZELTINE 947
Public Service Commission Viewpoint.....	ORVILLE P. DEUEL 953
Sanitary Engineer Viewpoint.....	WILLARD F. SHEPARD 958
Fire Protection.....	KENNETH J. CARL 961
Resume.....	ABEL WOLMAN 967
Need for Water Management Program in Industry.....	K. S. WATSON 973
Corrections to <i>Standard Methods</i>	982
Establishing Rates and Service Charges at Manhattan, Kansas.....	W. B. AVERY 983

Water Resources Policy for the State of Washington.....	W. A. GALBRAITH	987
Safety Practice for Water Utilities—Part 3, Sec. 21-23.....	AWWA MANUAL	989
Reprints Available.....		1018
Tentative Standard Specifications for Liquid Sodium Silicate.....	AWWA B404-55T	1019

November

Improvement of the Chicago Water Works System.....	JAMES W. JARDINE	1025
Forecast of the Needs of the Chicago Metropolitan Area.....	L. R. HOWSON	1030
Pumping Stations in Residential Areas		
Long Island, New York.....	PETER LEY	1039
California.....	LESLIE A. HOSEGOOD	1047
Pumping Station in Residence.....		1053
Water Supply for Greater Winnipeg.....	W. D. HURST	1054
Distribution of Water to the Suburban Areas of Halifax.....	J. D. KLINE	1057
Report on Loss in Carrying Capacity of Water Mains.....	T. E. LARSON	1061
US Public Health Service Research Grants.....	IRVING GERRING	1073
Reprints Available.....		1078
Labor Department Survey of Injury Rates in Water Industry.....	G. R. MCCORMACK	1079
Successful Safety Program in Oakland, California.....	WILLIAM J. STEPHENS	1085
Charges for Residential Air Conditioning.....	COMMITTEE REPORT	1088
Surcharge for Nonconserved Air Conditioning in St. Louis County... ..	W. VICTOR WEIR	1091
Dale LeRoy Maffitt, 1892-1955.....		1101
Water Main Cleaning.....	JOHN G. COPLE	1102
Exposure Tests on Three Types of Pipe.....	M. J. SHELTON & BERT C. WILKAS	1107
Safety Practice for Water Utilities—Part 3, Sec. 23-25.....	AWWA MANUAL	1124

December

Atomic Energy and the American Economy.....	NELSON P. JACKSON	1139
Design Criteria for Distribution Systems.....	H. E. BUTLER	1148
Ready-to-Serve Charges for Private Fire Protection.....	LEONARD R. HANSON	1153
Discussion.....	LOUIS E. AYRES	1159
Discussion.....	RICHARD H. ELLIS	1161
Author's Closure.....		1165
Modernization of Chicago's Pumping Stations.....	O. B. CARLISLE & J. L. WEEKS	1167
Solution Effects of Water on Cement and Concrete in Pipe		
Discussion.....	MARTIN E. FLENTJE & R. J. SWEITZER	1173
Discussion.....	P. S. WILSON	1183
Authors' Closure.....	THOMAS R. CAMP	1191
Effects of Physical Environment on Cast-Iron Pipe		1193
Discussion.....	ANDREW BARACOS, W. D. HURST & R. F. LEGGET	1195
Restoration of Pressure Equilibrium in Membrane Filtration.....	WILLIAM J. TARRANT	1207
Reprints Available.....		1209
Census of Fluoridation in the United States and Canada, 1954.....	TASK GROUP REPORT	1210
Safety Practices for Water Utilities—Part 4.....	AWWA MANUAL	1217
1955 Conference—Chicago.....		1219
Papers Scheduled at 1955 Section Meetings.....		1229
Index for Volume 47, 1955		
Subject Index.....		1241
Author Index.....		1251
Binding the Year's Journals.....		1256

Subject Index

A

Accidents; *see also* Safety
 1954 statistics on, 762; erratum, 864
 statistics on, 639
 US Labor Department survey on, in water industry, 1079

Accounting; *see also* Records
 general procedures for, 94

Activated carbon; safe practices in handling and storage of, 994
 taste and odor control with, 676

Activated silica; *see also* Silica; Silicate
 plant experience with, 177

Administration; *see also* Management
 water works; report of committee on, 268

Aeration; filter capacity increased by, 142
 taste and odor control by, 680
 theory of and types of equipment for, 873

Air conditioning; regulation of and charges for, at Manhattan, Kan., 983
 in St. Louis County, Mo., 1091
 in various cities, 1090

Akron, Ohio; use of waste pickling liquor for coagulation at, 757
 watershed development plans of, 833

Alabama; short-school program in, 145
 Tuscaloosa; meter repair program at, 121

Alaska; cold-weather problems in, 763

Algae; control of, at Philadelphia, Pa., 740

Alizarin; fluoride determination with, 563; erratum, 839

Alum; safe practices in handling and storage of, 996

Amarillo, Tex.; industrial use of reclaimed water at, 29

American Standards Association; specifications; for deep well vertical turbine pumps, 703

American Water Works Association; audit of funds for 1954; report of, 295
 awards; section membership; standings for, 301
 committee reports and activities; fluoridation materials and methods, 1210
 safety practice (manual), 637, 791, 923, 989, 1124, 1217
Standard Methods, 170
 water use in air conditioning, 1088
 water works administration, 268
 water works practice, 275

AWWA (*contd.*); membership statistics for, 302
 1954 survey on employment conditions of members of, 508
 publications report, 287
 safety activities of, 328
 specifications; American Standard; for deep well vertical turbine pumps, 703
 standard; for quicklime and hydrated lime; addenda to, 14
 erratum in, 630
 tentative; for cast-iron pressure fittings; new edition of, 147
 for installation of cast-iron mains; addendum to, on mechanical-joint pipe, 71
 for liquid sodium silicate, 1019
 for steel pipe flanges; revision of, 128

Ammonia; safe practices in handling and storage of, 999
 use of, in taste and odor control, 676

Ammonium sulfate; safe practices in handling and storage of, 1003

Appleton, Wis.; suspended-solids contact basin operation at, 738

Aquatic organisms; algae; control of, at Philadelphia, Pa., 740
 infestation of Norwich, England, system by, 330

Aquifers; *see* Ground water; Recharge

Arizona; municipal water quality in, 65

Artificial recharge; *see* Recharge

ASA; *see* American Standards Association

Asbestos-cement pipe; exposure tests on, 1107
 laying of, 1199
 solution effects of water on, 1173

Ashley, Ohio; drought problems at, 211

Atomic energy; *see also* Radioisotopes
 effects of, on American economy, 1139

Attica, Ohio; drought problems at, 209

Audit of AWWA funds for 1954; report of, 295

Austin, Tex.; special water districts in metropolitan area of, 21

Authorities; water; *see* Districts

Automatic equipment; *see* Equipment (control)

Automotive equipment; safe practices in operation of, 812, 941

B

- Bacteria; coliform; buffered desoxycholate glucose broth as presumptive medium for, 631
 value of, as viral pollution indicator, 683
 use of, as biological-warfare agents, 104
 Bactericides; *see* Chlorination
 Baltimore, Md.; extension financing at, 523
 Barium; radioactive; determination of, 335
 Base exchangers; resinous; filter sand replaced by, 736
 Beaver; water quality affected by, 503
 Big Rapids, Mich.; metering program at, 122
 Big Spring, Tex.; industrial use of reclaimed water at, 30
 Biological warfare; feasibility of, against public supplies, 101
 Boiler water; *see also* Heaters
 treatment of, 357
 Bonds; *see* Extensions; Financing
 Bookkeeping; *see* Accounting; Records
 Booster stations; *see* Pumping stations
 Bristol County, R.I.; residential-area pumping station in, 1053

C

- Calcium; flame spectrophotometric determination of, 253
 Calcium carbonate; *see also* Corrosion; Softening
 accelerated precipitation of, 487
 California; *see also* East Bay Municipal Utility District; Long Beach; Los Angeles; Marin Municipal Water District
 ground water legislation in, 374, 383, 857
 ground water replenishment districts in, 383, 909
 main extension rules in, 475
 prevention of sea water intrusion in, 886
 pumping station beautification in, 1047
 state water plan for, 367, 856
 Canada; *see also under provinces*
 endorsement of fluoridation in, 28
 Carbon; *see* Activated carbon
 Carbon dioxide; safe practices in handling and storage of, 1003
 Carbonate; *see* Calcium carbonate; Corrosion; Softening
 Cast-iron pipe; *see* Pipe; Pipelines
 Cathodic protection; water heater corrosion control by, 361
 Cation exchangers; resinous; filter sand replaced by, 736
 Cedar Rapids, Iowa; split-treatment lime softening at, 393
 Cement linings; solution effects of water on, 1173

- Certification; New Jersey law on, 364
 Charges; *see* Air conditioning; Fire protection; Rates; Sewerage
 Charleston, W.Va.; drought problems at, 213
 Chemicals; safe practices in handling and storage of, 994, 1124
 Chicago, Ill.; future needs of, 1027, 1030
 improvements at, 1025
 pumping station modernization at, 1167
 Chlorides; Ohio ground water pollution by, 151
 Chlorination; effect of, on survival of bacteria and viruses, 690
 effectiveness of, as safeguard against biological warfare, 106
 taste and odor control by, 676
 Chlorine; effects of excessive doses of, in main disinfection, 753
 safe practices in handling and storage of, 1005
 Chlorine dioxide; algae control with, at Philadelphia, Pa., 740
 taste and odor control with, 676
 Chlorite; sodium; safe handling and storage of, 1124
 Civil defense; *see* Biological warfare; Federal Civil Defense Administration
 Clarksburg, W.Va.; drought problems at, 216
 Coagulation; activated silica as aid in, 175
 effect of, on survival of bacteria and viruses, 687
 increasing plant capacity by improvements in, 303
 theory of and design of installations for, 768
 waste pickling liquor for, 757
 Coatings; *see* Linings
 Cold weather; problems of, in Alaska, 763
 Coliform bacteria; *see* Bacteria
 Colorado; problems of new utilities in, 85
 Committee reports; *see* American Water Works Association
 Communications; *see* Dispatching; Radio
 Complaints; customer; handling of, 399, 405, 407
 Concrete; use of, in storage facilities, 186, 577
 Concrete pipe; solution effects of water on, 1173
 Conservation; *see also* Air conditioning; Water resources
 ground water; measures for, on Long Island, N.Y., 348
 industrial-water; methods of, 976
 water; metering as means of, 122
 need for, in East, 858

- Construction; California; Peters Dam, 549
 safe work practices in, 821
 variation of costs of, 195
 Consultants; engineering; functions of, 91, 99
 Consumption; *see also* Conservation; Demand
 ground water; growth of, in Texas, 695
 statistics on, for Michigan water works, 34
 Control equipment; *see* Equipment
 Cooling water; *see also* Air conditioning
 industrial; recirculation of, 977
 Copper sulfate; algicidal effectiveness of,
 compared with chlorine dioxide, 740
 Corrosion; *see also* Cathodic protection
 pipe; chloride-bicarbonate ratio as factor
 in, 1069
 effect of soil on, 1107
 environmental factors involved in, 1195
 loss in carrying capacity due to, 1061
 types and control of, 355
 water heater; mechanics and prevention of,
 359
 Costs; accidents, 1081
 air-conditioning conservation equipment,
 1096
 artificial recharge, 234, 906
 construction, 195
 distribution storage facilities; steel, 578
 radio, 148
 reclaimed water, 31
 sea water demineralization, 862
 suspended-solids contact basins, 733
 water works; allocation of, 313
 Courts; *see* Legislation; Liability
 Culture media; *see* Bacteria
 Customers; *see* Complaints; Consumption;
 Demand; Public relations; Records
 Cuyahoga River watershed; plans for de-
 velopment of, 833

D

- Dallas, Tex.; summer distribution problems
 at, 533
 Dam; Peters (Calif.); design and construc-
 tion of, 549
 Deep wells; *see* Wells
 Defluoridation; practice of, in Arizona, 70
 Degasification; vacuum; odor control with,
 124
 Delaware; Wilmington; extension financing
 at, 529
 Demand; *see also* Conservation; Consump-
 tion
 air-conditioning; load factor in, 1091
 irrigation water; growth of, in eastern US,
 225, 226, 440
 peak; meeting of, at Milwaukee, Wis., 60
 relation of storage to, 574
 Demand (*contd.*); rise of, due to population
 growth in Florida, 63
 trend of, in US, 203
 Demineralization; *see also* Ion exchangers;
 Softening
 sea water; federal study of, 831, 862
 Design; aerators, 879
 California; Peters Dam, 549
 coagulation and sedimentation basins, 768
 distribution system; criteria for, 1148
 filter; history of, 749
 prestressed concrete tanks, 186
 residential-area pumping stations, 1039
 steel pipe wye branches, 581
 treatment plant; current trends in, 731
 Desoxycholate; use of, in presumptive
 medium for coliform bacteria, 631
 Detergents; synthetic; Wheeling, W.Va.,
 problems with, 218
 Detroit, Mich.; pump motor selection at, 39
 suburban booster station operation in, 162
 sulfur joint experience at, 453
 Development; *see also* Construction; Sup-
 ply; Water resources
 California water resources; plan for, 367
 Missouri River Basin; status of program
 for, 419
 northern Ohio watersheds; plans for, 833
 Disease; *see also* Fluoro is; Methemoglo-
 binemia; Outbreaks; Tularemia
 spreading of, through biological warfare,
 101
 transmission of, by drinking fountains, 235
 Disinfection; *see also* Chlorination
 main; effects of excessive chlorine doses
 for, 753
 Dispatching; centralization of, 426
 Distribution systems; *see also* Pipe; Pipe-
 lines; Pressure; Pumping stations;
 Services; Tanks
 cold-weather problems of, in Alaska, 764
 design criteria for, 1148
 District of Columbia; study of high-rate fil-
 tration in, 129
 Districts; *see also* Suburban areas
 water and sanitation; German river as-
 sociations as model for, 863
 Michigan; types of, 960
 organization and operation of, in Austin,
 Tex., area, 21
 in Kentucky, 9
 in Oakland County, Mich., 24
 in South Adams County, Colo., 88
 in Winnipeg, Man., area, 15, 1054
 suburban Washington (Md.); extension
 financing in, 525
 Wisconsin; statutes on, 957, 969
 Drawdown; determination of, by nonpumping
 methods, 537

Drinking fountains; bacteriological study of, 235
 Drought; problems of, in eastern US, 203
 Durham, N.C.; high-rate filtration at, 243

E

East Bay Municipal Utility District, Calif.; prestressed concrete tanks at, 186
 safety program at, 1085
 El Paso, Tex.; artificial-recharge project at, 232
 ground water consumption at, 702
 Elevators; safe operation of, 812, 817
 Elmira, N.Y.; main rehabilitation at, 1104
 Employees; *see also* Training
 certification and tenure of, in New Jersey, 364
 Michigan statistics on, 38
 1954 survey of, 508
 obtaining cooperation of, in safety program, 651
 England; Norwich; aquatic-organism infestation at, 330
